## Liguori Pasta

Liguori is the oldest pasta manufacturer since 1795 which is of highest quality and 100% made in Italy.

Liguori uses the best durum wheat and pristine spring water from Lattari Mountains. And this distinguishes the unique flavor of Liguori pasta.

The method of slow drying at low temperatures, an ancient legacy that Liguori have kept over time, ensures that pasta preserves color, aroma, nutritional value and the taste of wheat.

## Mira Extra Virgin Olive Oil

Saizeriya offers our customers Mira Extra Virgin Olive Oil from Italy.

Mira was established 130 years ago. 100% Italian olives are used and the olive oil is extracted through a traditional method which brings down the acidity hence good for the health. While the normal acidity level for the extra virgin olive oil is 0.8%, our extra virgin olive oil is 0.3% or less and that makes it superior in quality. Our olive oil has a Fruity and Spicy taste; and it makes a good blend for cooking as the olives are grown in Sorrento Peninsula, Italy.

## Buffalo Mozzarella

Mozzarella is of two kinds, one made from Cow's milk and the other from Buffalo's milk. The cheese made from Buffalo milk is rare and expensive. Buffalo Mozzarella cheese has a richer taste, denser texture and tangier flavour. Saizeriya imports Buffalo cheese directly from Italy and provides it for customers to enjoy on pizza and appetizer. It can also be enjoyed as a standalone dish accompanied by our extra virgin olive oil.

Spaghetti

Saizeriya uses Liguori Pasta and it is one of the oldest pasta manufacturers in Italy. The pastas are made from high quality durum wheat and dried using slow drying method at low temperature. As a result, one can feel the original wheat flavour and sweetness when consuming.

## White Sauce

Saizeriya's Original White Sauce is produced at our Australian factory. It has a rich milk flavour, a smooth texture and a refreshing taste. It is produced by using fresh liquid milk instead of milk powder. The condensation process is performed by boiling fresh liquid milk at low temperature so the milk protein and milk flavour are not compromised in order to achieve the highest quality. One serving of Doria or Gratin equals to 500ml of fresh milk goodness and nutrients.
